July 2, 2012

Southern California Regional Rail Authority  
1 Gateway Plaza, 12<sup>th</sup> Floor  
Los Angeles, California 90012

Attention: Jason Lim, Labor Compliance Analyst

RE: Approval of Labor Compliance Program,  
LCP ID No. 2011.01104 and Exemption from using CMU

Dear Mr. Lim:

In accordance with the provisions of Title 8, California Code of Regulations, section 16425, approval of Southern California Regional Rail Authority's Labor Compliance Program (LCP) is hereby granted, effective July 2, 2012. The Rail Authority is also granted approval to use its LCP on projects subject to the requirements of Stats. 2011, Chap. 378 (AB 436) and 8 Cal. Code Reg. section 16450, in lieu of paying this Department for compliance monitoring and enforcement on those projects. This approval applies only to your agency's own projects, and the exemption from using the CMU on projects subject to the requirements of AB 436 will remain in effect as long as your agency complies with its obligations and responsibilities as an approved labor compliance program and does not contract with a third party to operate all or part of its LCP, except as permitted by section 16455(c) of the regulations.

An LCP must comply with the requirements of Title 8, California Code of Regulations, sections 16421 through 16439, as well as with all other statutes and regulations pertaining to the monitoring and enforcement of the state's prevailing wage requirements. Whether or not your agency's projects are subject to the notice requirements of section 16451(a) of the regulations, you must send timely notice of all contract awards when required by Labor Code section 1773.3 (projects of \$30,000 or more that use apprenticeable crafts), using the electronic PWC-100 form. A link to this form can be found on the CMU website at <http://www.dir.ca.gov/dlse/cmu/cmu.html>.

Additional information and resources pertaining to labor compliance programs are available on the Department's website at <http://www.dir.ca.gov/lcp.asp>. Questions about enforcement policy must be directed to the Division of Labor Standards Enforcement. If you have any other questions, including about this notice, please contact Program Analyst Connor Schmeding at (510) 286-1094.

Sincerely,

A handwritten signature in cursive script that reads 'Christine Baker'.

Christine Baker, Director of Industrial Relations
