Overview of Title VI

What is Title VI?

Title VI, 42 U.S.C. § 2000d et seq., was enacted as part of the landmark **Civil Rights Act of 1964**. It prohibits discrimination on the basis of race, color, and national origin in programs and activities

Why Are We Here Today?

- Metrolink is required to provide Title VI outreach activities if there is a possibility that decisions made by the Metrolink Board of Directors related to fare changes or major service changes could create disproportionate impacts on minority and low-income riders.
- We are looking for your feedback on the recent changes.
- Submit comments until April 15 at <https://metrolinktrains.com/ecomments>

Public Outreach Process

- Board approved initiation of public outreach and comment period on February 28
- Information for feedback was shared via the following channels:
 - Electronic station message boards informing public of community meeting
 - Email notification regarding public outreach meeting
 - Meeting notices and survey information and online meeting posted online
