ADDITIONAL TRAIN IN AND OUT OF CMF: WEEKEND OF JANUARY 23 – JANUARY 24

Due to a test train that will investigate passenger car door opening and closing issues that occur at the Norwalk Station, a single train will depart from and return to the CMF on Saturday, January 23 and Sunday, January 24.

On Saturday, January 23, the train set will leave the CMF at 8 p.m.

Approximately four hours later, at midnight, the train set will return to the yard. This train will pull into the storage yard and be shut down.

We apologize for any inconvenience. Questions and concerns can be directed to Metrolink's Community Relations emergency hotline at 213-452-0400 or to communityrelations@scra.net.

Metrolink's response to COVID-19 (coronavirus):

At Metrolink, safety is foundational. Our agency has taken steps to protect against the spread of the COVID-19 disease while protecting our team members and riders.

Transportation has been designated as an essential service at the federal level and was exempted in the state and local Stay at Home orders. So, Metrolink continues to operate service, as well as move forward with maintenance and rehabilitation projects. Essential services, as outlined by the CyberSecurity and Infrastructure Security Agency at the federal level, are deemed

essential to continue critical infrastructure viability. Other essential services include but are not limited to medical and healthcare systems, defense, food and agriculture, energy, water, law enforcement and public works.

Please know that we support efforts at the federal, state and local levels to stop the spread of the virus and keep our team members and riders safe, including asking people who are sick to stay home, requiring non-essential workers to telecommute, reiterating and requiring social distancing practices and providing our critical front-line employees with masks, gloves and extra sanitizer. To get more information about Metrolink's service or response to COVID-19, please visit metrolinktrains.com/safety.
