According to FRA safety regulations, trains may blow their horns due to work crews on or near the tracks, even in **QUIET ZONES**.

Please note all construction dates and times are subject to change without notice. There may be additional clean-up work and prep work before and after the project is completed, or in case of rain.

Metrolink’s highest priority is safety. We apologize for any inconvenience this work may cause. Questions and concerns can be directed to Laurene Lopez at 213-452-0433 (or to communityrelations@scrra.net).
