COMMUNITY NOTICE

[Visit metrolinktrains.com/community](http://metrolinktrains.com/community)

WHAT: Weekend Metrolink Railroad Maintenance

WHERE: Next to Metrolink railroad tracks in the City of Glendale at Grandview Avenue and San Fernando Road

WHEN: Tuesday, May 26 at 7 a.m. until Saturday, May 30 at 4:30 p.m.

MORE INFORMATION:

To keep train service safe and reliable, Metrolink crews will be doing maintenance work to level the ground to improve the drainage system. This work will be done starting Tuesday, May 26 until Saturday, May 30 from 7 a.m. until 4:30 p.m.

During this maintenance work, we anticipate the following impacts:

- Noise from equipment backup alarms and heavy machinery
- Noise, vibration and dust from construction machinery and activities

The work area is located adjacent to a designated Quiet Zone. According to Federal Railroad Administration safety regulations, trains may be required to blow their horns due to work crew on or near the tracks.

Please note all construction dates and times are subject to change without notice. There may be additional clean-up and preparation work before and after the project is completed.

Metrolink's highest priority is safety. We apologize for any inconvenience this work may cause. Questions and concerns can be directed to Laurene Lopez at 213-452-0433 (or to communityrelations@scrra.net).

Metrolink's response to COVID-19 (coronavirus):

At Metrolink, safety is foundational. Our agency has taken steps to protect against the spread of the COVID-19 disease while protecting our team members and riders.

Transportation has been designated as an essential service at the federal level and was exempted in the state and local Stay at Home orders. So, Metrolink continues to operate service, as well as move forward with maintenance and rehabilitation projects. Essential services, as outlined by the CyberSecurity and Infrastructure Security Agency at the federal level, are deemed essential to continue critical infrastructure viability. Other essential services include but are not limited to medical and healthcare systems, defense, food and agriculture, energy, water, law enforcement and public works.

Please know that we support efforts at the federal, state and local levels to stop the spread of the virus and keep our team members and riders safe, including asking people who are sick to stay home, requiring non-essential workers to telecommute, reiterating and requiring social distancing practices and providing our critical front-line employees with masks, gloves and extra sanitizer. To get more information about Metrolink's service or response to COVID-19, please visit metrolinktrains.com/coronavirus or text "ML19" to "#333777".
