WHAT: Nighttime and Weekend Metrolink Railroad Improvement Work

WHERE: City of Lake Forest along the Metrolink railroad tracks between El Toro Road and Dune Mear Road/Willard Avenue

WHEN: Monday, July 6 at 6 a.m. until Friday, July 24 at 4 p.m.

MORE INFORMATION:

To keep train service safe and reliable, Metrolink crews will perform system improvements and maintenance work along the tracks in Lake Forest between El Toro Road and Dune Mear Road/Willard Avenue. Crews will replace the drainage system and perform resurfacing work that realigns the rails resulting in a smoother, more reliable ride which makes for an enjoyable customer experience.

- On weekdays, work begins at 6 a.m. and ends at 4 p.m. from Monday, July 6 until Friday, July 24
- Weekend nighttime work starting Friday, July 10 at 12 p.m. until Monday, July 13 at 8 a.m.
- Nighttime work starting Monday, July 13 at 8 p.m. until Saturday, July 18 at 4:30 a.m.

During this work, we anticipate the following impacts:

- Noise from equipment backup alarms and heavy machinery
- Noise, vibrations and dust from construction machinery and activities
- Lights from light towers and/or on-track equipment

Please note all construction dates and times are subject to change without notice. There may be additional clean-up and preparation work before and after the project is completed.

Metrolink's highest priority is safety. We apologize for any inconvenience this work may cause. Questions and concerns can be directed to Laurene Lopez at 213-452-0433 (or to communityrelations@scrra.net).

Metrolink's response to COVID-19 (coronavirus):

At Metrolink, safety is foundational. Our agency has taken steps to protect against the spread of the COVID-19 disease while protecting our team members and riders.

Transportation has been designated as an essential service at the federal level and was exempted in the state and local Stay at Home orders. So, Metrolink continues to operate service, as well as move forward with maintenance and rehabilitation projects. Essential services, as outlined by the CyberSecurity and Infrastructure Security Agency at the federal level, are deemed essential to continue critical infrastructure viability. Other essential services include but are not limited to medical and healthcare systems, defense, food and agriculture, energy, water, law enforcement and public works.

Please know that we support efforts at the federal, state and local levels to stop the spread of the virus and keep our team members and riders safe, including asking people who are sick to stay home, requiring non-essential workers to telecommute, reiterating and requiring social distancing practices and providing our critical front-line employees with masks, gloves and extra sanitizer. To get more information about Metrolink's service or response to COVID-19, please visit metrolinktrains.com/coronavirus or text "ML19" to "#333777".
