

COMMUNITY NOTICE

[Visit metrolinktrains.com/community](https://www.metrolinktrains.com/community)

WHAT: Nighttime Railroad Maintenance Work

WHERE: On the Orange County Line between the cities of San Juan Capistrano and Dana Point

WHEN: Monday, October 19 until Saturday, October 24

MORE INFORMATION:

To keep train service safe and reliable, rail crews will perform system maintenance along the railroad tracks beginning at Junipero Serra Road in the City of San Juan Capistrano and Domingo Avenue in the City of Dana Point from October 19 through October 24.

Crews will perform surfacing, regulating and stabilizing trackwork. This activity corrects the alignment of the rails, resulting in the safer operation of trains.

Starting Monday, October 19 until Saturday, October 24 from 10 p.m. to 5 a.m. nightly.

During this work, we anticipate the following impacts:

- Noise from equipment, backup alarms and heavy machinery
- Dust from construction machinery and activities
- Lights from light towers and/or on-track equipment

Please know our team is working to minimize any disruption to the adjacent communities and businesses. We apologize in advance for any inconvenience this may cause.

Any trains that operate through the area will do so according to the Quiet Zone standards as required by federal law. Residents may hear trains operating during this time. A train will blow its horn if a person or vehicle is on or near the tracks.
